

Basic Layout for Recipe Website

1. Home Page:

- Header with navigation bar containing links to Home, About, Recipes, Categories, Tips, and Contact.
- Hero section with a mouth-watering image or video background and a brief welcome message.

2. About Us:

- Introduction to the website's mission and passion for cooking.
- Profiles of the team members with their names, roles, and pictures.

3. Recipes:

- Displaying recipe cards with images, titles, and brief descriptions.
- Categories or tags to help users easily find recipes by cuisine, diet type, or meal type.
- Sidebar with featured recipes, recent additions.

4. Cooking Tips:

- Helpful tips, tricks, and techniques for cooking success.
- Guides on ingredient substitutions, kitchen tools, and cooking methods.

5. Contact Us:

- Contact form for users to send recipe requests, feedback, or inquiries.
- Business email address for general inquiries.

6. Footer:

- Additional navigation links for quick access to important pages.
- Copyright information and disclaimer.
- Social media icons for users to connect with the website on various platforms.
